

Temple Sinai Hebrew School

Special Needs Children

We are a Hebrew School that welcomes special needs children.

If your child(ren) gets services of any kind in their regular school, we would like to be informed. We have accommodations from Jewish Family Services for special mentors that will be in the classrooms to assist your child(ren).

This information will be kept confidential to only those who work directly with your child(ren).

Please inform us when you register your child(ren), that way arrangements can be made with JFS.

Thank you.
