DUES, BUILDING FUND AND SCRIP PROGRAM

We would like to explain our dues and our building fund pledge to you as simply as possible.

Our dues are set by our Congregation based on recommendations of the Dues Committee. The membership approves membership dues at our Congregational meetings. At the present time our dues structure is as follows:

In the year that you become a member, your dues will be one half of the lowest dues category. For those members joining during the July 1, 2019 to June 30, 2020 years, it is \$483.00. In addition, all members are required to pay \$75.00 the annual membership to United Synagogue of Conservative Judaism, the association of Conservative Synagogues. (**For 2019 only, reduced to \$38**)

In the year after you become a member your dues will be set according to the schedule below.

<u>Annual family income</u>	<u>Current yearly dues</u>	<u>Security Assessment</u>	<u>US Dues</u>
Under \$40,000.00	\$ 966.00	\$35.00	\$38
\$40,001.00 to \$80,000.00	\$ 1,528.00	\$35.00	\$38
Over \$80,000.01	\$ 2,412.00	\$35.00	\$38

(Please circle your future dues category)

We also have a Building Fund that is used for improvements and replacements in our Temple. The Fund is under the auspices of the Capital Improvement Committee. Each member must pledge \$1,500.00 to the Building Fund. This pledge is fulfilled by payments of \$300.00 in the first year, then six equal payments of \$200.00 in each of the following six years of Temple membership.

The Dues Committee members are available to meet with prospective members or existing members to discuss how we can assist in working out financial arrangements to suit your needs. Call the Temple office, at (845) 343-1861, and speak to our Executive Director to arrange a meeting either in person or by phone with her and or one of the Committee members.
